## Undertaking

The warranty is for the cost of re-supply, by Loughwood Ltd, of a component that is proven to have failed as a result of fungal decay or insect attack, free of charge. It does not cover the costs of removal or reinstatement of such components or consequential costs or loss due to failure of the component.

The term 'fungal decay' as used in the warranty refers to wood destroying fungi that feed on and degenerate the wood cell walls. It excludes staining and mould fungi associated with the weathering of wood.

The term 'failed' refers to damage caused by fungi to such an extent that the component is no longer fit for purpose.
