Prices quoted are for flat pack and are liable to VAT at the current rate. Most stock available at all times. Delivery for the mill in England or Wales will be £250 plus VAT (if in stock) for the HD36 or MX34 and £150 for the LM29 and MN26. Special orders will attract a higher delivery charge. The mill can be built if required at our premises at an additional charge of £600 plus VAT for the standard mill only and delivery will be extra and set at time of sale. We reserve the right to change or amend the prices displayed without prior notice
