# F2+ CHAIN SAWMILL

Extra robust for larger logs

Swedish  
Quality Design

- ✓ F2+ is an F2 on steroids! Heavier, stronger and engineered for up to 70 cm large logs.
- ✓ Saw long, saw heavy, it's all good! Essential parts are oversized for more space and weight, and you can easily extend the sawmill.
- ✓ Removable guide rail makes the sawmill easy to store and to transport.

**Build a smart log table  
for your sawmill!**

### Log table kit – DIY for Logosol sawmill

Build a solid log table with smart fittings from Logosol. Make the boards yourself with your own sawmill. A good log table makes work with chain sawmills easy and ergonomic. The logs are at the right height and the log rollers make it easy to move the logs lengthwise.

**£ 280**

SKU 9999-000-1480

### Log roller with holder

From the log roller, logs are easily rolled onto the log bed. The log roller with holder is mounted on the crossbar in front of the log bed in front of the saw to shift the log sideways. Use multiple log rollers to set up an assembly line to suit your needs.

**£ 106**

## 6 REASONS TO BUY YOUR MACHINE FROM LOGOSOL

1. Logosol is a reliable company that has been around since 1989 and has sold tens of thousands of sawmills and planers to satisfied customers all over the world.
  2. Logosol is the complete supplier which develops chain sawmills, band sawmills and planers. No other manufacturer in the world knows so much about both sawing and planing. So when you choose Logosol, you choose the best of both worlds.
  3. Our machines are made of high-quality materials and have carefully designed components that guarantee stable and reliable operation. We also offer many accessories and upgrades for you to adapt the machine to your needs. Many customers who have compared different brands believe Logosol sawmills provide a unique sawing experience. It is substantial, stable and produces great results.
  4. Our innovative thinking and extensive experience make our machines hold a very high quality. We constantly strive for improvement and every detail is carefully selected. When you use a machine from Logosol, you can be sure that it is of the highest quality and you can concentrate on having fun when creating in wood.
  5. We have a 2-year warranty on all machines and 2 month money-back guarantee. Test the machine in your own time and if it is not the right machine for you, you are only responsible for the shipping cost back to us.
  6. We have a strong customer community worldwide. Our customers build their dreams from wood using our machines and we support them in every way we can. From social media groups to customer gatherings - we're here to help you succeed.
- So if you want the best possible experience in woodworking, choose Logosol! The perfect partner for you and your business or hobby.

## STACK CUTTER PK1500

Efficient cutting at an unbeatable price

- ✓ Cut whole 1.5 m x 1.5 m stacks with a precision of +/-2 mm.
- ✓ The chainsaw bar is precision guided in each end which gives a straight cut.
- ✓ Same bar as for the Big Mill Wide Slabber. A really great bar from Cannon.

## WARRANTIES FOR A SAFE BUY

When you buy a new machine from LOGOSOL, you receive a 2-year warranty. Here we could have set out the warranty terms that are in the catalogue, but we say for the sake of simplicity that we always try to be really understanding if something goes wrong. We believe that it's best for everyone in the long run if you continue to be completely satisfied with your Logosol machine.

2-month money-back guarantee – as it should be! When you get your new machine, you can take plenty of time to test it and make sure that it meets your expectations. Run the machine. Saw or plane a larger volume to see if it works as expected. We're not afraid to take back a machine with a little sawdust. You will only have to pay for the cutting equipment you've used and all shipping charges.

Watch videos and see complete product information at [logosol.co.uk](http://logosol.co.uk)

Please note: Where orders, excluding carriage, exceed £135 plus VAT there may be an additional charge. Your order will be processed by the Logosol dealer covering your location and they will advise whether any additional charges are applicable.

All prices and offers in the campaign are excl. VAT and shipping and are valid until 20<sup>th</sup> of June 2023.
